

The Atlantic Cloud Workspace™

Simple | Reliable | Secure

REDUCE COSTS

Significantly reduce operational costs and cut capital expenditure by eliminating on-site servers, application software and maintenance.

With Atlantic Cloud Workspace™ you can extend the life of your current workstation investment.

WORK ANYWHERE

The Atlantic Cloud Workspace™ gives you secure, high-performance access to applications and data from any internet connected device.

Enhance productivity by enabling employees to work from home or on the road.

IMPROVE SECURITY

Information security is no longer an option; it's imperative. But you don't have to be an expert. Let the Atlantic Cloud Workspace™ platform address complex data privacy and other security requirements so you can focus on building your business.

INCREASE PRODUCTIVITY

Customize the Atlantic Cloud Workspace™ environment to control your business applications and data with secure access for all your employees from anywhere, from any device, via any internet or private connection. The Atlantic Cloud Workspace™ is your virtual office wherever you are.
